- For planks with attached underlayment, it is acceptable to install Pergo Gold underlayment (Lowe's Part # 670312) prior to flooring installation if desired. A separate vapor barrier should not be used in conjunction with Pergo Gold.
 - When installing Pergo in special situation areas such as: terrazzo, pier and beam, radiant heating and to also learn how to properly acclimate your floor, please contact our consumer help line at 1-800-33-PERGO (1-800-337-3746) or log on to www.pergo.com to obtain important additional information.
